

VIRGINIA AHEC SCHOLARS PROGRAM

The Virginia AHEC Scholars program is a two-year longitudinal, interdisciplinary program comprised of 40 hours of didactic and 40 hours of clinical activities each year. This program is designed to increase the number of skilled and culturally competent health professions students prepared to practice in rural and underserved areas.

Practical
Hands-on
Training

Underserved
Experiences

Resume
Building

Professional
Mentoring

Networking
Opportunities

The program is open to all students enrolled in health career certificate or degree programs from the undergraduate level up. The requirements of the Virginia AHEC Scholars program are in addition to regular coursework required for the student's academic program. Completion of this program results in a Virginia AHEC Scholars certificate, setting you apart from other students in an increasingly competitive environment.

Curriculum based training in six topic areas:

Interprofessional Education
Behavioral Health Integration

Social Determinants of Health
Cultural Competency

Practice Transformation
Substance Use Disorders
